American Whiskey

There's Pappy Van Winkle, then there's everything else.

Julian "Pappy" Van Winkle Sr once said:

No chemists allowed here!

He did everything by his gut feeling, and still today, his grandson Julian Van Winkle Jr does it all the same way, declaring if the Bourbon is good enough by smelling, tasting and looking at this fine spirit.

Single Malt Whiskey

The **MACALLAN**[®]

HIGHLAND SINGLE MALT
SCOTCH WHISKY

The Macallan distillery was founded by Alexander Reid, a barley farmer and school teacher.

The original name of the area was “Maghellan”, taken from the Gaelic word “magh”, meaning fertile ground and “Ellan”, from the Monk St.Fillan - who held a close association with the church that stood in the grounds of The Macallan Estate until 1400.

Farmers had been making whisky on their Speyside farms in the area for centuries, using their surplus barley during the quieter winter months.

HIGHLAND
ESTD 1798
PARK
SINGLE MALT SCOTCH WHISKY

Far away in the storm-lashed Orkney islands is the place where magic happens. Here, Highland Park single malt Scotch whisky is made, in very much the same way as it was made over 220 years ago. They see their distillery as a living, breathing organic place and they are its custodians. Evolution takes time and they have plenty of that.
